

Two *FREE* Conservation Landscaping Workshops

Saturday, January 23, 2010

Arcadia: Registration begins at 7:45 A.M.

Program begins at 8 and ends at noon.

South Florida Community College, 2251 NE Turner Ave.

Bowling Green: Registration begins at 12:45 P.M.

Program begins at 1 and ends at 5 P.M.

South Florida Community College, 2968 US 17 North

Learn about native plants and how to transform your property into a beautiful oasis for people and wildlife that will conserve precious water resources and reduce pollution but may also save you time and money.

Get your questions answered during an Ask-the-Experts session.

Each person who attends will receive a free plant.

We welcome details of how you have incorporated any of the Florida-friendly landscaping techniques into your yard. Please call 866/835-5785 ext 240.

Since 2005, the CHNEP, in cooperation with many others, has organized this type of workshop for residents of Hardee and DeSoto counties. Find out about these workshops and those that serve other counties at www.CHNEP.org.

Sponsored by a grant from the
Peace River Basin Board of the
Southwest Florida
Water Management District

Two Free Conservation Landscaping Workshops and Native Plant Sales

Saturday, January 23, 2010

SFCC, 2251 NE Turner Ave., Arcadia

Registration begins at 7:45 A.M.

Program begins at 8 and ends at noon.

SFCC, 2968 US 17 North, Bowling Green

Registration begins at 12:45 P.M.

Program begins at 1 and ends at 5.

Workshop topics at both locations:

- Drought and water restrictions
- Native plants 101
- Edible native plants
- Where to find plants, seeds and mulch
- Short demonstrations on mulching and planting
- *Neighbor-to-Neighbor Florida-Friendly Landscaping*
- Ask the experts
- Resources for additional information

Each attendee will receive a free plant.
Native plants will also be available
for purchase.

www.CHNEP.org.

Toll-free 866/835-5785 ext 240.

These workshops are offered free because of the cooperation and generosity of many groups, including the Charlotte Harbor National Estuary Program, Southwest Florida Water Management District, South Florida Community College, Deluxe Trees and Shrubs, the guest speakers and many others.

Please encourage your friends and neighbors to attend.

*Presentations made during previous workshops are available
at www.CHNEP.org.*
