Why do you want to be a voting member of the Charlotte Harbor National Estuary Program Citizens Advisory Committee?

[I am retired and the bulk of my work now involves the environment of South Florida and explaining to people the fragile nature of our ecosystems. I feel that as a voting member of CHNEP I can expand my contributions in this area.](#)

What contributions do you feel like you can make to the CAC?

My education and professional experience as a higher education educator coupled with my intense interest in the preservation of South Florida's ecosystems and active involvement in environmental organizations and issues, qualify me to provide intelligent and thoughtful input to the CAC. Attached is a copy of my resume.
