DO YOU HAVE AN IDEA OF HOW TO PROTECT OUR ESTUARIES AND THEIR WATERSHEDS?

The CHNEP offers micro-grants for up to \$250 to help you take action to do more to protect the natural environment. These grant opportunities are open to anyone – individuals, community groups, volunteers, service organizations, businesses, government agencies, educational entities – but must occur within the CHNEP study area.

For grants not issued by the CHNEP, the program also offers grant-writing assistance for projects that help protect and restore our estuaries and watersheds.

Additional information and an online request form can be found at www.CHNEP.org.
