2008 **July** Sunday Monday Tuesday Wednesday Thursday Friday Saturday

CHNEP PARTNERS – Citizens, elected officials, resource managers and commercial and recreational resource users have been hard at work protecting the greater Charlotte Harbor estuarine system from Venice in Sarasota County to Bonita Springs in Lee County to Winter Haven in Polk County. In 2007, the CHNEP partners assessed the progress made and reassessed the problems, priorities and actions required to protect the greater Charlotte Harbor estuarine system. The results appear in the CHNEP 2007 *Comprehensive Conservation and Management Plan*.
