

# 2009 March

DO YOU HAVE AN IDEA OF HOW TO PROTECT OUR ESTUARIES AND THEIR WATERSHEDS?

The Charlotte Harbor National Estuary Program offers micro-grants for up to \$250 to help you take action to do more to protect the natural environment. These grant opportunities are open to anyone — individuals, community groups, volunteers, service organizations, businesses, government agencies, educational entities — but must occur within the CHNEP study area. An online request form for a micro-grant can be found at [www.CHNEP.org](http://www.CHNEP.org).

The CHNEP also offers grant writing assistance for grants issued by others for projects that help protect and restore our estuaries and watersheds.
