

2009 June

Sunday Monday Tuesday Wednesday Thursday Friday Saturday

TRANSFORM YOUR YARD into a beautiful oasis for people and wildlife that will not only conserve precious water resources and reduce pollution but will also save time, energy and money. Florida-friendly landscaping emphasizes nine major principles:

- Right Plant, Right Place
- Water Efficiently
- Fertilize Appropriately
- Mulch
- Attract Wildlife
- Control Yard Pests
- Responsibly Recycle
- Reduce Stormwater Runoff
- Protect the Waterfront

For more information, go to www.CHNEP.org.
