

2009 September

NATIONAL ESTUARIES DAYS is an annual celebration of the majestic places where rivers meet the sea. It is a time to highlight the importance of estuaries. The official National Estuary Day is celebrated Saturday, September 26, but the CHNEP sponsors and coordinates many festivals, wading trips, guided walks, paddling events and other activities throughout the year.

For more information, go to www.CHNEP.org.

What do you think of this calendar? Take a survey posted on the website at www.CHNEP.org.
