

The Coastal & Heartland National Estuary Partnership (CHNEP) is part of the US EPA National Estuary Program and is comprised of local, state, and federal governmental entities, non-profits, private sector entities and the public. Its mission is to unite Central and Southwest Florida to protect water and wildlife. The CHNEP is non-regulatory, science-based, and citizen-supported, and its work is supported by a professional team who works to pair funding opportunities and resources with the communities and partners in the CHNEP's 10-county service area.
