Coastal & Heartland National Estuary Partnership

Fiscal Year 2025 Highlights

We are a partnership of citizens, elected officials, and resource managers working together to protect and restore water and wildlife habitat in Central and Southwest Florida since 1995. The Partnership is part of the US EPA National Estuary Program. Below hightlights the impact we made in just the past year!

420 water quality samples collected and analyzed

$68,795,404 research and restoration dollars leveraged

9 new features to the CHNEP Water Atlas added

35 new monitoring stations on the CHNEP Water Atlas

73,369 acres of environmental lands restored

20,823 acres of environmental land conserved

150+ 2025 Resiliency Summit attendees educated

$14,242 dollars of conservation grants to community conservation efforts awarded
